Subject: Relocation – New Site Structure

Dear Sir or Madam,

Today, we would like to inform you about an important and positive development within our company.

As part of our strategic development and to further optimise our internal processes, our company is relocating from its previous site. This measure will enable us to structure our processes more clearly, expand our capacities and offer you even more efficient and effective solutions in future.

Our new site structure will be as follows:

Headquarter (Administration, Project Management, Sales and Service):

IZ NÖ Süd, Straße 7, Objekt 58C, Stiege 5, 1. OG, Top 9 in 2355 Wiener Neudorf, AT

GoogleMaps: [Link](#)

GoogleMaps Plus-Code: 389M+8R Wiener Neudorf

Starting from 07.01.2026

Production & Warehouse:

Steinbrückl 30, 7531 Kemeten, AT

GoogleMaps: [Link](#)

GoogleMaps Plus-Code: 7592+VP Kemeten

Starting from 01.02.2026**Important information for suppliers:**

Deliveries of goods to our old location in Biedermannsdorf will no longer be possible from 01.02.2026!

New delivery address and delivery times:

HEAT gas technologies GmbH

Steinbrückl 30

A-7531 Kemeten

Mo – Th: 8:00 – 15:00

Fr: 8:00 – 11:00

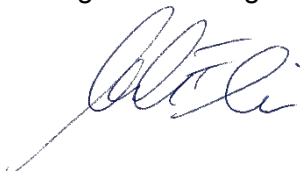

All existing contacts, contractual relationships and communication channels will remain unchanged. Of course, we will ensure that the relocation proceeds smoothly for you and without any interruptions.

Should you have any questions, please do not hesitate to contact us at any time.

We are confident that this relocation will lay the foundation for continued successful cooperation and we look forward welcoming you to our new branches soon.

Yours sincerely,

HEAT gas technologies GmbH
